

**The NISP will benchmark** on each activity internally with reference to the active Gantt chart by which the NISP programs are held. The benchmarking will be displayed on the college outlets and other digital sources. The KPI's that help to monitor the activities that are consolidated into for the four sections of PDCA cycle. On each spectrum of the activity the KPI's are carefully done. The prime mean of verification will be done by the report creation and analysis team of the committee. This will be used as a feedback and taken for the next upcoming activities.
