ACTIVITY REPORT

CHRISTMAS CELEBRATION

Date: 24/12/2022

Activity Objective: To give students awareness about Christmas eve.

Description:

Christmas is important to many Christians because it reminds them that: Jesus, the Son of God, came to Earth for all people, symbolized through the visits of the wise men and the shepherds. Mary and Joseph both had a strong faith in God, despite the difficulties they faced.

Christmas is celebrated on 25 **December**. It is a holiday to celebrate the birth of Jesus Christ, who, according to the Christian religion, is the son of God. The name is a joining of “Christ” and “mass” which means the holy mass (supper, celebration or festival) of Christ.

A **Christmas** gift or Christmas present is a gift given in celebration of Christmas. The practice of giving gifts during Christmastide, according

to Christian tradition, is symbolic of the presentation of the gifts by the Three Wise Men to the infant Jesus.

People come up with gifts to give others in need to show the real meaning of Christmas. Jesus is God's gift to mankind. He gave himself freely with none of us deserving it. It's the perfect example of a "true gift." Encourage children to "out give" each other by coming up with more ways of giving to others.

PIBM family also celebrated Christmas eve. Faculty told them the Christmas story, they sang Christmas carols, skit was enacted, shared gifts, sweets were distributed among them. They understood the meaning of caring, sharing is LOVE.

Outcome:

Students came to know about Christian culture, values through the skit enacted by them.

ACTIVITY REPORT

Institute / Department/ Committee Level: MBA DEPARTMENT

Topic/Activity Name: CSR Activity

Date: 15/01/2023

Objective: (CSR activity) To visit Mother Teresa Oldage Home,Chinchwad and distribute grocery items.

Description: PIBM organized a visit to a senior citizens home at Mother Teresa Old age Home Chinchwad. The complete life, the perfect pattern, includes old age as well as youth and maturity. Old age has its pleasures, which ,though different, are not less than the pleasures of youth. This is something that students realised when they visited an old age home. Before this, they had never been to an old age home, so they were wondering what would it be like. Would the people present there be happy to see them and what would be the topic of their conversation ? And as soon as they reached there, they got all their answers. To break the monotony of their lives, students presented a few songs and a dance for them. They also made them sing and dance along with us. Some of them broke into tears when they presented them sweets and snacks . We were able to make out that they were very happy to have us there ,and they also mentioned this in their vote of thanks. They also said that they will look forward to our visit again .

Outcome : All were really touched by those words.
