TOPIC: Organise and Inter/Intra Institutional Business Plan Competition and Reward the Best Innovations

DATE: 13/03/2024

OBJECTIVE:

- Organise a business plan competition that fosters creativity, collaboration, and innovation among students.
- The competition aims to identify and reward the most promising business ideas with the potential to make a real-world impact.

DESCRIPTION:

The Institution Innovation Cell of Pratibha Institute of Business Management, Chinchwad organized an Inter/Intra Institutional Business Plan Competition and Reward the Best Innovations. Prof Pallavi Chug conducted the session. All the faculties including IIC members attended the session. Open registration for interested students from both within the institution and from other institutions. Participants submit detailed business plans outlining their innovative ideas, market analysis, competitive advantage, financial projections, and marketing strategies. The committee reviews submitted plans based on pre-defined criteria to shortlist a pool of finalists. Shortlisted finalists present their business plans to a panel of judges comprised of industry professionals, investors, and faculty members. The presentations allow teams to elaborate on their ideas, address questions, and showcase their passion and business acumen. The judges evaluate presentations based on a pre-defined scoring rubric, considering aspects like innovation, market opportunity, financial viability, and the team's presentation skills. Declare the winning teams and acknowledge outstanding entries in different categories. Organize an award ceremony to celebrate the winners and distribute prizes, which may include cash awards, incubation space, mentorship opportunities, or in-kind support. Offer guidance and support to the winning teams to help them further develop their business ideas and potentially connect them with investors or mentors.

The session was very interactive and students actively participated in the Q&A session at the end. Everybody gained a lot of knowledge through this session.

OUTCOME:

- The competition ignites the spirit of entrepreneurship among participants, encouraging them to develop and refine their business ideas.
- Participants gain valuable experience in crafting compelling business plans, including market analysis, financial projections, and marketing strategies.

TOPIC: Session on Business Model Canvas

SPEAKER: Dr. Rajasmita Panda

DATE: 30/04/2024, Tuesday

OBJECTIVES:

- To introduce students to the concept of the Business Model Canvas (BMC).
- To familiarize students with the key components of the BMC and their significance in business planning.
- To facilitate practical application of the BMC framework to real- world business scenarios.

DESCRIPTION:

The Institution Innovation Cell of Pratibha Institute of Business Management, Chinchwad organized a session on Business Model Canvas. The session was conducted by Dr. Rajasmita Panda. She is a professor at shri Balaji University All the faculties including IIC members and 90 students attended the session. The session on the Business Model Canvas (BMC) aimed to equip students with essential knowledge and skills for designing and evaluating business models. The session began with an overview of the BMC concept, highlighting its importance in understanding the fundamental building blocks of a business. Key components of the BMC, including customer segments, value proposition, channels, customer relationships, revenue streams, key activities, key resources, key partnerships, and cost structure, were discussed in detail. Throughout the session, practical examples and case studies were used to illustrate the application of the BMC framework in various business contexts. The session was very interactive and students actively participated in the Q & A session which was held at the end. Everybody gained a lot of knowledge.

OUTCOME:

- Increased understanding of the BMC framework and its relevance in business planning.
- Improved ability to identify and analyze key components of a business model.

ACADEMIC YEAR 2023-2024

IIC ACTIVITY REPORT

Topic: World Entrepreneurs Day

Date: 31/05/2024

Activity Objectives:

1. **Celebration of Entrepreneurship:**
 - To celebrate and recognize the contributions of entrepreneurs worldwide to innovation, economic growth, and job creation.
2. **Inspiration and Motivation:**
 - To inspire and motivate aspiring entrepreneurs by showcasing success stories and entrepreneurial journeys from around the globe.
3. **Awareness and Education:**
 - To raise awareness about entrepreneurship as a career path and highlight the challenges and opportunities involved.

Description:

World Entrepreneurs Day was observed with various events and activities aimed at honoring entrepreneurs and promoting entrepreneurship globally. The event involved a combination of virtual and physical events that celebrated the spirit of entrepreneurship and fostered a supportive ecosystem for startups. Activities included keynote speeches by successful entrepreneurs, panel discussions, workshops, pitch competitions, and networking sessions. Participants had the opportunity to learn from industry leaders, connect with potential mentors and investors, and gain insights into the entrepreneurial landscape.

Outcomes :

1. **Recognition and Celebration:**
 - Entrepreneurs' contributions to innovation, economic growth, and job creation were celebrated and recognized globally. Various entrepreneurs were honored for their achievements and impact.
2. **Inspiration and Motivation:**
 - Aspiring entrepreneurs were inspired and motivated by the success stories and entrepreneurial journeys shared during the event. The stories showcased resilience, creativity, and the rewards of entrepreneurship, encouraging participants to pursue their own ventures.

National Entrepreneurs Day

All the Entrepreneurs are no doubt inspiration for all of us. I wish you a great day ahead.

ACADEMIC YEAR 2023-2024

IIC ACTIVITY REPORT

Topic: World Environment Day

Date: 05/06/2024

Activity Objective:

The objective of the World Environment Day activity was to raise awareness about environmental issues and promote sustainable practices among participants. It aimed to educate individuals on the importance of protecting the environment and to encourage active participation in conservation efforts.

Description:

The World Environment Day activity commenced with a keynote address by an environmental expert, highlighting the significance of the day and the current environmental challenges. This was followed by a tree-planting ceremony where participants planted saplings in designated areas. Various workshops and interactive sessions were conducted, focusing on topics such as waste management, recycling, and energy conservation. Participants engaged in hands-on activities like creating eco-friendly crafts from recycled materials and participating in a community cleanup drive. Educational exhibits and stalls showcased innovative green technologies and sustainable products. There was also a quiz competition on environmental knowledge and a poster-making contest with themes related to environmental conservation. The event concluded with a pledge-taking ceremony where participants committed to adopting eco-friendly practices in their daily lives.

Outcomes:

The World Environment Day activity successfully heightened participants' awareness of environmental issues and the need for sustainable practices. The tree-planting ceremony contributed to local green cover, and the workshops provided practical knowledge on waste management and energy conservation.

Hands-on activities and the community cleanup drive fostered a sense of responsibility and active involvement in environmental protection. The educational exhibits inspired participants to explore and adopt green technologies. Overall, the event instilled a commitment to environmental stewardship and motivated participants to make eco-friendly choices in their daily lives.

IIC ACTIVITY REPORT

Topic: Organise Session on “Lean Start-up & Minimum Viable Product/Business”- Boot Camp (or) Mentoring Session

Date: 07/06/2024

Activity Objective:

The objective of the "Lean Start-up & Minimum Viable Product/Business" Boot Camp was to educate participants on the principles of the lean start-up methodology and the development of a minimum viable product (MVP). It aimed to provide hands-on experience and mentorship to help participants quickly test and validate their business ideas with minimal resources.

Description:

The boot camp began with an introductory lecture on the lean start-up methodology, explaining key concepts such as the Build-Measure-Learn feedback loop and the importance of developing an MVP. Expert speakers, including successful entrepreneurs and lean start-up coaches, shared their insights and experiences. Participants engaged in interactive workshops where they were guided through the process of defining their MVP, identifying target customers, and creating hypotheses about their business models. Teams were formed to work on real-world projects, applying the lean start-up principles to develop and refine their MVPs.

Outcomes:

The "Lean Start-up & Minimum Viable Product/Business" Boot Camp successfully equipped participants with practical knowledge and skills in the lean start-up methodology. They learned how to efficiently develop and test their business ideas with minimal resources, focusing on creating an MVP to validate their hypotheses.

Through hands-on workshops and mentorship, participants were able to define and refine their MVPs, gaining valuable insights from customer feedback and market research. The interactive sessions fostered a collaborative environment, encouraging innovation and problem-solving.

IIC ACTIVITY REPORT

Topic: Session on Angel Investment/VC Funding Opportunity for Early Stage Entrepreneurs

Date: 10/06/2024

Activity Objective:

The objective of the session on "Angel Investment/VC Funding Opportunity for Early Stage Entrepreneurs" was to educate participants about the various avenues for securing funding from angel investors and venture capitalists (VCs). It aimed to provide insights into the funding process, investment criteria, and strategies for successfully attracting early-stage investment.

Description:

The session commenced with an overview of the current investment landscape, highlighting the roles and differences between angel investors and venture capitalists. Expert speakers, including experienced investors and successful entrepreneurs, shared their perspectives on what investors look for in early-stage start-ups. Participants were guided through the essentials of preparing for investment, including crafting a compelling pitch, developing a robust business plan, and understanding key financial metrics. Practical workshops allowed participants to refine their pitches and receive feedback from seasoned investors. Case studies of start-ups that secured angel and VC funding were presented, illustrating successful strategies and common pitfalls. The session also included panel discussions on topics such as equity distribution, valuation, and negotiation tactics.

Outcomes:

The session on "Angel Investment/VC Funding Opportunity for Early Stage Entrepreneurs" significantly enhanced participants' understanding of the funding landscape and the process of securing investment. They learned the differences between angel investors and VCs and what each type of investor seeks in potential investments.

Participants developed skills in crafting compelling pitches and creating detailed business plans, essential for attracting investors. The practical workshops and feedback sessions enabled them to refine their pitches and address areas of improvement.

Topic: Session on Accelerators/Incubation - Opportunities for Students & Faculties - Early Stage Entrepreneurs

Date: 13/06/2024

Activity Objective:

The objective of the session on "Accelerators/Incubation - Opportunities for Students & Faculties - Early Stage Entrepreneurs" was to inform participants about the opportunities and support systems available through accelerator and incubator programs. It aimed to educate students and faculty members on how these programs can aid in the development and growth of their entrepreneurial ventures.

Description:

The session began with an introduction to the concepts of accelerators and incubators, outlining their roles in supporting early-stage start-ups. Expert speakers, including representatives from prominent accelerators and incubators, shared insights on the benefits and resources these programs offer, such as mentorship, funding, networking, and workspace. Participants were guided through the application process for these programs, including tips on how to present their business ideas and increase their chances of acceptance. Interactive workshops allowed participants to work on their applications and receive feedback from mentors.

Outcomes:

The session on "Accelerators/Incubation - Opportunities for Students & Faculties - Early Stage Entrepreneurs" effectively increased awareness among participants about the various support mechanisms available through accelerator and incubator programs. They gained a comprehensive understanding of how these programs operate and the benefits they provide to early-stage start-ups.

Participants learned practical tips for crafting strong applications and gained confidence in presenting their business ideas. The interactive workshops and feedback sessions helped refine their applications, increasing their chances of being accepted into these programs.

IIC ACTIVITY REPORT

Topic: Organising Innovation & Entrepreneurship Outreach Program in Schools/Community

Date: 15/06/2024

Activity Objective:

The objective of the Innovation & Entrepreneurship Outreach Program in schools and communities was to inspire and educate young students and community members about innovation and entrepreneurship. It aimed to foster a culture of creativity, problem-solving, and entrepreneurial thinking by providing knowledge, skills, and practical experiences.

Description:

The outreach program began with an engaging introductory session explaining the importance of innovation and entrepreneurship in today's world. Expert speakers, including local entrepreneurs and educators, shared their journeys and highlighted the impact of entrepreneurship on society and the economy. Interactive workshops were conducted where participants learned about the fundamentals of starting a business, idea generation techniques, and the basics of creating a business plan. Students and community members were encouraged to brainstorm and develop their own innovative ideas to address real-world problems.

Outcomes:

The Innovation & Entrepreneurship Outreach Program successfully ignited interest in innovation and entrepreneurship among students and community members. Participants gained a foundational understanding of entrepreneurial concepts and the process of starting a business.

Through interactive workshops and mentorship sessions, participants developed critical thinking, problem-solving, and creative skills. The mini-pitch competition and hands-on activities provided practical experience and boosted participants' confidence in their ideas.

IIC ACTIVITY REPORT

Topic: Session/ Panel discussion with innovation and Start-up Ecosystem Enablers from the region/state/national level

Date: 20/06/2024

Activity Objective:

The objective of the session/panel discussion with innovation and start-up ecosystem enablers was to provide participants with a comprehensive understanding of the support structures available for start-ups at regional, state, and national levels. It aimed to foster connections between entrepreneurs and ecosystem enablers, facilitating access to resources, mentorship, and collaboration opportunities.

Description:

The session began with an introduction to the start-up ecosystem, highlighting the various enablers such as incubators, accelerators, government programs, industry associations, and funding bodies. The panel consisted of representatives from these key enablers, including successful entrepreneurs, government officials, and leaders from prominent incubators and accelerators. Each panelist shared their insights on the role of their respective organizations in supporting start-ups, discussing available resources, funding opportunities, mentorship programs, and collaborative initiatives. They also highlighted successful case studies from their organizations, demonstrating the impact of ecosystem support on start-up growth. Participants were encouraged to engage in an interactive Q&A session, where they could ask panelists specific questions related to their start-up challenges and seek advice on leveraging ecosystem support. Breakout sessions followed, providing a platform for one-on-one interactions between participants and panelists, enabling deeper discussions and personalized guidance.

Outcomes:

The session/panel discussion with innovation and start-up ecosystem enablers significantly increased participants' awareness of the various support structures available to them at different levels. They gained valuable insights into the resources and programs offered by incubators, accelerators, government initiatives, and industry associations.

Through the panelists' experiences and case studies, participants understood how to effectively leverage these resources to overcome challenges and accelerate their start-up growth. The interactive Q&A session provided practical solutions to specific start-up issues, while the breakout sessions offered personalized advice and fostered meaningful connections.

Topic: Session on Innovation/Prototype Validation – Converting Innovation into a Start-up or Session on Achieving “Value Pro

Date: 22/06/2024

Activity Objective:

The objective of the session on "Innovation/Prototype Validation – Converting Innovation into a Start-up" was to guide participants through the process of transforming innovative ideas and prototypes into viable start-ups. It aimed to provide practical insights on validation techniques, market analysis, and business development strategies.

Description:

The session began with an introduction to the importance of innovation in the modern business landscape. Expert speakers, including successful entrepreneurs and industry professionals, shared their experiences and insights on the journey from ideation to start-up launch. Participants were introduced to various methods of prototype validation, including market research, customer feedback, and feasibility analysis. Interactive workshops allowed participants to work on their prototypes, receive feedback from mentors, and refine their business ideas.

Outcomes:

The session on "Innovation/Prototype Validation – Converting Innovation into a Start-up" successfully equipped participants with the knowledge and tools needed to validate and develop their prototypes into start-ups. They gained a deeper understanding of market analysis, customer feedback, and feasibility studies, which are crucial for innovation validation.

Through interactive workshops, participants refined their prototypes and business ideas, receiving valuable feedback from experienced mentors. The case studies and expert insights provided practical guidance on overcoming challenges in the start-up journey.

IIC ACTIVITY REPORT

Topic:- Demo Day/Exhibition/Poster Presentation of Start-Ups & Linkage with Innovation Ambassadors/Experts for Mentorship Support

Date: 25/06/2024

Activity Objective:

The objective of the Demo Day/Exhibition/Poster Presentation of Start-Ups was to provide a platform for start-ups to showcase their innovations and gain visibility. Additionally, it aimed to connect these start-ups with innovation ambassadors and experts for mentorship support, facilitating valuable feedback, guidance, and potential collaborations.

Description:

The event began with a keynote address by a prominent figure in the start-up ecosystem, emphasizing the importance of innovation and mentorship in entrepreneurial success. This was followed by a series of presentations where start-up founders showcased their products and services through live demos, exhibits, and poster presentations. Each start-up was allotted a booth where they could interact with attendees, display their prototypes, and discuss their business models. Judges, comprising innovation ambassadors, industry experts, and investors, evaluated the presentations based on criteria such as innovation, market potential, and scalability.

Outcomes:

The Demo Day/Exhibition/Poster Presentation of Start-Ups successfully showcased a diverse range of innovative start-ups, providing them with much-needed visibility and exposure. Participants gained valuable feedback on their products and business models from experienced judges and mentors.

The networking sessions and one-on-one mentorship opportunities facilitated meaningful connections between start-up founders and industry experts, leading to potential collaborations and support. The event also enhanced participants' understanding of scaling their businesses, securing funding, and overcoming market challenges through panel discussions and workshops.

The recognition and awards presented to outstanding start-ups boosted their credibility and motivated them to continue innovating. Overall, the event fostered an environment of learning, collaboration, and growth, significantly benefiting the participating start-ups and contributing to the broader entrepreneurial ecosystem.

Topic: Organise an Inter/Intra Institutional Start-up Competition and Reward Best Start-ups.

Date: 28/06/2024

Activity Objective:

The objective of organizing an inter/intra institutional start-up competition was to foster innovation and entrepreneurship among participants, encouraging them to develop and present their business ideas. The event aimed to identify and reward the most promising start-ups, providing them with recognition, mentorship, and potential funding opportunities.

Description:

The start-up competition was structured to include participants from various institutions, encouraging a diverse range of ideas and innovations. The event began with an opening ceremony where keynote speakers, including successful entrepreneurs and industry experts, shared insights on entrepreneurship and the start-up ecosystem. Participants were invited to present their start-up ideas in a series of preliminary rounds, where they pitched their concepts to panels of judges composed of investors, mentors, and business professionals. Each pitch included a presentation of the business model, market analysis, product or service details, and financial projections.

Outcomes:

The inter/intra institutional start-up competition successfully stimulated innovation and entrepreneurial spirit among participants. It provided a platform for aspiring entrepreneurs to showcase their ideas, receive valuable feedback, and refine their business models.

Participants gained significant insights and practical knowledge through the workshops and mentoring sessions, which enhanced their entrepreneurial skills and prepared them for future ventures. The competition fostered networking opportunities, allowing participants to connect with potential investors, mentors, and fellow entrepreneurs.

Topic: Independence Day- Celebrating Aazadi

Date: 15/08/2024

Activity Objective:

The objective of the Independence Day celebration, titled "Celebrating Aazadi," was to instill a sense of patriotism and national pride among participants. It aimed to educate them about the historical significance of Independence Day and to honor the sacrifices made by freedom fighters.

Description:

The "Celebrating Aazadi" event began with a flag-hoisting ceremony, followed by a national anthem recital. Participants engaged in various activities such as patriotic song and dance performances, speeches, and skits depicting key events from the freedom struggle. There were also interactive sessions including quizzes on India's independence history and creative competitions like poster-making and essay writing. A special segment was dedicated to honoring local veterans and freedom fighters, where they shared their experiences and stories. The event concluded with a cultural program showcasing India's diverse heritage and a closing speech emphasizing the importance of unity and freedom.

Outcomes:

The "Celebrating Aazadi" activity successfully fostered a deep sense of patriotism among the participants. It increased their knowledge about India's struggle for independence and the importance of national unity. The interactive sessions and competitions encouraged creativity and active participation, while the veterans' stories provided a personal connection to history. Overall, the event left the participants with a renewed appreciation for their country's heritage and the sacrifices made for its freedom.
