

Alumni Association at PIBM

Pratibha Institute of Business Management (PIBM) takes immense pride in its alumni network, which comprises accomplished professionals, entrepreneurs, and leaders across diverse industries. Our alumni are the torchbearers of PIBM's values, carrying forward the institute's legacy of excellence, integrity, and innovation in the corporate world.

At PIBM, we believe that learning extends beyond the classroom, and our alumni community exemplifies this belief by contributing to the industry, society, and academia. With strong connections in leading multinational companies, startups, and government organizations, our alumni serve as an inspiration for current students, bridging the gap between education and real-world business challenges.

The PIBM Alumni Association fosters lifelong relationships by organizing networking events, mentorship programs, and industry interactions. Through knowledge-sharing sessions, career guidance, and professional collaborations, our alumni continue to shape the future of business and management education.

We encourage our alumni to stay connected, contribute to the institute's growth, and inspire the next generation of business leaders. Whether through guest lectures, recruitment drives, or entrepreneurial initiatives, the PIBM alumni family remains an integral part of our ever-evolving journey toward excellence. An alumni association at PIBM is an association of former students. There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services. The alumni of the institute is very active and is being a part of various programs and happenings in the institute. A frequent alumni talk for students, alumni interactions with faculty and special alumni gatherings brings harmony to the institute.

At PIBM, Alumni is associated in the various ways:

- Orientation Program : Alumni are invited to the Orientation Program for guiding and counselling the students.
- Alumni sponsored Live Projects

- Organizing Alumni Talk/Meet
- Corporate Connect through Alumni

Below is the composition of Alumni Association for academic year 2023-24:
